## FAQ

### What is a kippah and who wears one?

Also known as a yarmulke or a skullcap, the kippah is a sign of respect and is traditionally worn by men at Jewish ceremonies. There is one for every male guest and we invite anyone who is comfortable to wear one.

### What is the Hora and who participates?

The Hora is a Jewish wedding tradition also known as the chair dance. This sees newlyweds go into the middle of the dance floor and everyone grabs hands and dances in a circle before the couple is lifted into the air. This tradition is just to celebrate the joy of the occasion. We encourage everyone to join in and help us celebrate.

### What type of ceremony is this?

This ceremony is both neutral and interfaith. A Christian and Jewish family is coming together and will share some traditional wedding customs.

### What do I do if I have allergies?

We have gathered everyone's allergies and the Lightfoot & Wolfville staff are taking great care in preparing everyone's meals. If you have questions after your meal is served, please ask any of the Lightfoot & Wolfville staff.

### When is the last call?

The last call for the bar is 11:45 PM. The music ends at 12 AM

### How do I get home?

There is a town car service that will take people to their accommodations (on a first come first serve basis) between 9:00 PM and 1:00 AM.

Otherwise, there is also the Wolfville taxi service # (902) 670-6700

### How do I sign the guestbook?

We opted for a guest painting instead of a traditional guestbook. You'll find this painting set up during cocktail hour and at the reception waiting to be filled with colour and love by all of you.

## SIGNATURE COCKTAILS

Lavender Blueberry Vodka Fizz

Classic Old Fashioned

Thank you all for  
celebrating us today!
